I also expressly waive any rights I may have under California Civil code 1542 which states, "A General release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing that release, which if known by him must have materially affected his settlement with the debtor."

I acknowledge that equine riding is a sport which carries inherent risks of injury and damage to me. I knowingly assume all risks of participating in equine related-activities and horseback riding and not limited to, mules and ponies, whether known or unknown, including, but not limited to, injuries, death or property damage from: mounting, dismounting, riding, walking, grooming, feeding, use of facilities or trail, falling off a equine, riding without a helmet or otherwise relating to horseback, mule or pony riding or otherwise use and control of, or lack thereof, of the equine.
